

The Adams County Board of Supervisors met at 8:50 am on Tuesday, September 9, 2014, with the following members present: Karl McCarty; Doug Birt, Linda England, Phyllis Mullen, and Merlin Dixon. The meeting was called to order by the Chair, Dixon. The agenda for the day was read and approved.

Andrew Zimmerman asked to go into closed session under Iowa Code 21.5 c to discuss strategy with counsel in matters that are presently in litigation or where litigation is imminent where its disclosure would be likely to prejudice or disadvantage the position of the governmental body in that litigation. Birt moved, seconded by England, to go into closed session at 8:51 am. All supervisors voted aye. Motion carried. Mullen moved, seconded by Birt, to come out of closed session at 9:05 am. All supervisors voted aye. Motion carried.

Shaun Masilko, Amanda Masilko, Glen Hickman, Jeff Mendenhall, and Mike Bagby came to the board to discuss the wind turbine project that is potentially going up in Mercer Township. Shaun brought forth statistics that he had researched as to why it was not a good idea. He mentioned he didn't like that it's subsidized by the government, that they only ran at 30% efficiency, and were an unpredictable source of energy. Mendenhall's concern was if the landowners were paying taxes on them. The board informed them the owners of the turbines will be paying the taxes on the wind turbines. Birt commented the subsidies are there and why not have Adams County take advantage of the revenue.
