Sheriff Johannes discussed with the board his desire to keep the Sheriff's Department's work week Sunday thru Saturday instead of switching to the new Saturday thru Friday schedule. He said it would cause problems with their scheduling and it would cause employees to have too much overtime. Right now they have rotating weekends and he wants to make it fair for the dispatchers. Auditor Bissell explained that the reason the board was changing the work week schedule was to coordinate with the new payroll schedule starting July 1st. The work week was changed on February 5, 2016, when the new handbook was approved. Birt asked why the schedule can't be changed. Sheriff Johannes said because he wanted to make sure it was a fair schedule. Sheriff Johannes said he'd consult with Paul Greufe to see if he had any other ideas for fixing the schedule.

Committee reports by the supervisors were given as follows: McCarty, Courthouse Security, June 2 at 8:30 AM; Shipley, Adams Community Foundation, June 14 at 7 PM, Main Street Corning, June 15 at 4 PM, and Main Street Corning, June 16 at 11 AM.
