Also in attendance: Bill Lyddon, Andrew Zimmerman, Libby Wilkinson, Conrad Wilkinson, Rene Lauer, Sheriff Alan Johannes, and Norma Fast. The meeting was called to order by Chairperson England.

Bill Lyddon discussed with the board the need to replace the floor tiles in the courthouse bathrooms. The board asked Bill to check into pricing.

Former County Attorney Andrew Zimmerman gave an update regarding his work on the Adams County Ordinances. They discussed the changes to the secondary roads ordinance regarding mowing, spraying, and burning.

Sheriff Alan Johannes updated the board on the new software. Johannes looked into acquiring a grant to help pay for the software, but found out the grant couldn't go towards the new software. The board informed him there would be some funds available from ambulance services, but the amount has not been determined.

Libby Wilkinson, Conrad Wilkinson, and Rene Laurer gave an update on their desire to change the Country Haven facility from an RCF to an apartment style living arrangement. They informed the county that they've been advised they will need to hire an architect or engineer to come up with plans and costs for the renovations.

Norma Fast discussed with the board her desire to hold a public Bible reading in front of the courthouse on September 19th-22nd. They will be reading the Bible in its entirety from 8:00 am to 8:00 pm. The board said they have every right to use the courthouse lawn for the Bible reading. No action was needed for this request.
