Also in attendance were Stan Grebner, Alan Johannes, and Mark Saylor. The meeting was called to order by Chairperson Shipley. The agenda for the day was read and approved.

Stan Grebner discussed with the board that the 2007 Caterpillar Motorgrader has been having issues, such as not starting and using excessive oil. They have fixed some of the issues however, it appears that at least \$10,000 more will be needed to correct wiring and that is not guaranteed to fix the problem. Stan also mentioned that this motorgrader is scheduled to be replaced in FY 18, but he doesn't feel it will make it to that point. The board asked him to get quotes on replacing the motorgrader and also information on what payment options are available.

Claims were approved as follows:

Adams Co 4-H	Cont	25,000.00	1.00
Grand Total		25,000.00	

Committee reports were presented by the Supervisors as follows: Dixon– ACED Housing, Corning, July 6; McCarty– SIRCD, Creston, July 6; and England – Adams-Taylor Landfill, Corning, June 28.
