

## **Board Minutes July 18, 2017**

The Adams County Board of Supervisors met on Tuesday, July 18, 2017, at 9:00 AM with the following members present: Merlin Dixon, Linda England, Karl McCarty, Doug Birt, and Leland Shipley. Also in attendance were Nancy Kempton, Stan Grebner, Eldon Rike, and Doug Oldenkamp. The meeting was called to order by Chairperson Shipley. The agenda for the day was read and approved.

Stan Grebner discussed with the board the situation with the old motorgrader. In order to get a fair trade value for the machine, which is currently inoperable, the county would have to fix some of the issues with repairs estimated to be in the \$10,000 range. Stan also discussed with the board some of the quotes he has started to receive on purchasing a new motorgrader. The board advised Stan to have Ziegler fix the wire harness.

Eldon Rike discussed with the board the need to extend Iris Lane south to the fence and tweak the road enough for a grader to be able to turn around at that spot.

Treasurer Nancy Kempton presented the Semi-Annual Report and the Annual Report to the board. Birt moved, seconded by McCarty to approve the Semi-Annual Report and the Annual Report. All supervisors voted aye. Motion carried.

Committee reports were presented by the Supervisors as follows: Dixon-WIB, Creston, July 17; Shipley-Main Street, Corning, July 11; Birt- Conservation Board, Des Moines, July 13.
