Secondary Roads – Doing a lot of ditching by Holly and 110th St. Mack truck is being fixed. Douglas 11 is making good progress; decking has been replaced at the abutments. Colony 19 was closed last week for 3 hours to do some cold patching on the deck. That should get it by until we can get the bridge replaced. Patch work was done at 125th St. and Hwy 148. Dale and Logan will be attending a culverts and back water class coming up. Hull Street. bridge project is close to closing out the project. Waiting on the contractor for more signatures. Reached out to the DOT regarding the lack of payment from the railroad on the Nodaway RR Crossing replacement. After his correspondence with the DOT the railroad invoiced them again. Kinser isn't going to pay the invoice until the county receives the reimbursement from the railroad. Continuing to haul contract rock and are getting close to finishing another area. Safety action plan meeting for grant writing this week. Treasurer – 96.33% of property taxes collected which leaves \$258,000 left to collect. Auditor – Working on budget amendments and township budgets. Have ICAP Board of Directors meeting this week.

The next regular meeting will be held on Monday, April 15, 2024, at 9:00 AM.

Hardisty moved, seconded by Standley to adjourn the meeting at 9:40 AM. All supervisors voted aye. Motion carried.
