Updates on Deer Season

Information on Excess Tag January Season

Adams County Recorder reports approximately **216** deer tags were sold during the week of November 28th to December 9th. The majority of the deer tags are sold during the first 2 weeks of December during first and second shotgun seasons. As an agent for the Iowa Department of Natural Resources, the Recorder keeps a portion of the sales that gets deposited back into the county general fund.

"Many of our customers are asking about the Excess Tag January season. This is for antlerless deer only. Adams County will be able to sell remaining tags beginning January 11th until the quotas are filled," said Recorder Stargell. The season would run January 11-22nd, and licenses will not be available for purchase online.
